The Helen Gordon Davis Centre for Women

The Helen Gordon Davis Centre for Women is launching our own **League of Extraordinary Women**. We are creating a powerful network of influential and accomplished women who are combining their efforts and resources to help women succeed.

For 40 years, that has been the mission of The Centre for Women. We have helped thousands of people across Tampa Bay to succeed personally and professionally. Our mission is to create an equitable and just society through the economic empowerment of women. Are we there yet? Some of us are, but many more are not.

When **Gloria Steinem** turned 80, someone asked her if she was ready to pass the torch. She said she wasn't going to pass the torch, she was going to use hers to light others; if we all have torches, there's a lot more light.

We know the League will continue to light the way for women across Tampa Bay now and in future.
