

Women Building Futures is a great, simple idea: recruit and train Tampa Bay women in pre-professional construction trade skills and give them the support services they need to find and sustain jobs. With local construction revving up, employers are clamoring for trained workers - they have the contracts but lack employees with good professional work habits as well as useful skills.

BLUEPRINT SPONSOR | \$40,000

- Exclusive presenting partner of our 15-week Women Building Futures program.
- Name and logo recognition on all educational, marketing and presentation materials
- Opportunity for company representative to speak/present during class workshops
- Logo on all promotional materials and Centre website
- Opportunity to participate in course graduation ceremony and co-branded graduation certificates

GROUNDBREAKING SPONSOR | \$10,000

- Company name and logo attached to all print and marketing materials -including website and social media
- Logo recognition throughout the 15-week course
- Company name and logo on all signage
- Opportunity to participate in course graduation ceremony

SCHOLARSHIP SPONSOR | \$5,000

- Company name and logo attached to all print and marketing materials -including website and social media
- Logo recognition throughout the 15-week course
- Company name and logo on all signage

WEBINAR SPONSOR | \$1,500

Sponsor a webinar. You will have the opportunity to speak at the beginning of the webinar to share information about your construction-related business. We will promote the webinar and your company to our database of clients through email, social media, and on our website. Your logo and link will be placed on our monthly e-newsletter, sponsorship page on our website and social media.

EMPOWERING WOMEN SPONSOR | \$1,500

- Help a woman get the training she needs to enter the construction field and start on a path to economic prosperity.
