strengthening the Tampa Bay region. We're proud
to support your transformative work.

**WELCOME
TO**

**Welcome to Havana Nights -
Our 34th Annual Gourmet Festival!**

On behalf of everyone at The Helen Gordon Davis Centre for Women, thank you for joining us for one of Tampa Bay's most anticipated evenings of exceptional food, wonderful friends, and meaningful philanthropy.

This year is especially significant as we celebrate our 50th Anniversary—a milestone made possible by a community that has believed in our mission for five decades. Since 1977, thousands of women, families, entrepreneurs, and seniors have found hope, opportunity, and support through our programs. Whether helping a woman launch a business, preparing someone for a new career, providing free mental health counseling, or ensuring an older adult can remain safely in their home, every life we touch begins with people like you.

Tonight, every delicious bite, every bid in the silent auction, every toast, and every sponsorship helps make those life-changing services possible. Your generosity allows us to continue saying “yes” to women pursuing their dreams, families facing unexpected challenges, and individuals seeking a brighter future.

Thank you for celebrating with us, for believing in our mission, and for helping ensure that The Centre for Women continues changing lives for the next 50 years.

Enjoy the evening—and thank you for making a difference.

With gratitude,

Ann W. Madsen

OUR PROGRAMS

THE TAMPA BAY WOMEN'S BUSINESS CENTRE

Our **Women's Business Centre** is part of a national network of WBCs dedicated to helping entrepreneurs to launch and grow their businesses. Funded in part through the Small Business Administration's Federal Office of Women's Business Ownership, our team of professionals helps women with training and coaching in entrepreneurial readiness, business planning, networking, career transitions and access to capital. It is the only SBA-designated women's business centre on the west coast of Florida. Multilingual staff members provide services in both English and Spanish.

TAMPA BAY WORKS FOR WOMEN

Success Strategies for Employment

One of our core programs, **Success Strategies** provides employment services to help women to prepare for jobs and overcome barriers for success. Coaching and training include resume writing, interviewing skills and guidance on finding meaningful employment.

Women Building Futures

The basic construction training program, which is accredited by the National Center for Construction Education and Research (NCCER), is a 15-week course which includes experiential learning. Participants also graduate with OSHA certification.

The Pat Collier Frank Women's Leadership Institute

The **Women's Leadership Institute** is a strategic initiative designed to help women develop skills and strategies to foster

advancement into leadership roles. The curriculum is designed to provide training from experts and local leaders with a focus on essential skills and personal traits needed to move women forward into leadership roles.

COUNSELING & WELLNESS

For five decades, The Centre's Counseling & Wellness Program has been a lifeline for individuals and families navigating life's most difficult challenges. We provide accessible, compassionate, and professional mental health support. The program empowers clients to deal with everyday emotional issues, heal from trauma, build resilience, and reclaim hope.

Licensed and Master's prepared counselors help individuals negotiate everyday challenges such as job loss, divorce, death, parental and child issues, domestic violence, and depression.

Services are provided at our Hyde Park Ave. headquarters and at our Kathy Castor Centre for Counseling & Wellness on Sligh Ave. This year, we have launched the StrongMoms

Maternal Mental Health initiative supporting the well-being of pregnant women and new mothers.

CONSTRUCTION SERVICES

A wide range of construction services including our flagship Senior Home Improvement Program are funded by Hillsborough County's Affordable Housing Division and Senior Connection Services, to enable income-eligible homeowners to maintain their homes and enjoy independent living. The program is directed by a licensed general contractor and construction work is done by experienced crews of both women and men.

Bella Excellence brings together advanced diagnostics, personalized wellness, and expert-led aesthetics for a more intelligent approach to looking and feeling your best.

Lighting the torch for other women and igniting the fire within yourself!

The League of Extraordinary Women is a powerful network of influential and accomplished women who are combining their efforts and resources to help women succeed.

When Gloria Steinem turned 80, someone asked her if she was ready to pass the torch. She said she wasn't going to pass the torch, she was going to use hers to light others; if we all have torches, there's a lot more light.
